MANOWCE

WELCOME

From the moment you arrive at Manowce, you will instantly know that this is the venue for your celebration.

Built at the very beginning of the 20th century, the palace has been restored lately so that it remains loyal to the vision of grandeur upon which it was founded as a luxurious rural retreat. Located in vast woods and right on the shore of a large lagoon, Manowce lets you and your guests enjoy far-reaching views over the waters. We look forward to welcoming you soon, so you can see for yourself just how special Manowce really is.

PROPERTY

Manowce is a historic property uniquely located in northwestern Poland, surrounded by boundless woods, far from residential areas and set right on the shore of a large bay next to the Baltic Sea.

Despite its remote location, Manowce is only 40 minutes from Szczecin (Stettin) and 2.5 hours from Berlin and its airport. There are direct flights between Berlin and all major cities in Europe plus many cities in America and Asia. It takes one to three hours to fly to Berlin from anywhere in Europe and the tickets are cheap. In addition, the property offers a shuttle service from and to the Berlin airport for the guests and the couple.

The Manowce Palace at Trzebieradz (known as Haffhorst prior to 1945) was built at the beginning of the 20th century in the neoclassical style. The investor and first owner was Georg Wegner, chief medical officer and director of a hospital in Szczecin. During the Second World War, the property was used by the National Socialist People's Welfare organization (*Nationalsozialistische Volkswohlfahrt*; NSV) as *Gauschule* (training centre for party members) and *Mutterheim* (shelter for mothers). From the end of the 1940s to the beginning of the 1990s the palace served as a summer camp for children.

OUR OFFER

Manowce is truly the perfect venue for your private function. Whether you're planning a wedding anniversary or simply a family get-together, our events team is on hand to ensure everything runs smoothly from the moment you make your booking. These are just some of the events we host:

- birthday parties
- wedding anniversaries
- vow renewals
- family gatherings
- engagement parties
- christening parties

For each of such celebrations we offer a standard package of services and equipment. Whatever the type of the event, Manowce always offers its services on an exclusive-use basis. The standard package covers chairs, tables, tablecloths, tableware and marquee all owned by Manowce. If the hosts opt for other furnishings, their rental will result in extra charges.

The hosts will need more than the standard package, e.g. flower decorations, and live or recorded music. We can send you a list of some of the additional services that we can arrange. The hosts can choose them à la carte and we will give you a quote for your choice. Our in-house event coordinator knows and can recommend the best local suppliers. If you like, we can infuse the celebration with Polish music, dance, food and party customs. We can serve *pierogi*, Polish dumplings.

Celebrations sometimes turn into a little holiday for the guests. If you're looking to entertain yourselves and your guests during the day, then along with swimming in the bay and mushrooming in the woods, Manowce can organise activities such as kayaking, sailing, fishing, cycling, golf, and horse riding.

As for food, the prices are based on our Gold menu package, so they will be lower for the Silver package and higher for the Platinum package. For outdoor celebrations, the price includes the cost of the marquee. There is no charge for children under five and there is a 50% discount for children aged six to twelve. All prices in euros gross (including VAT).

ACCOMMODATION

For celebrations that end after 10pm, accommodation for all hosts and guests must be booked prior to the event. For celebrations that end earlier, the hosts and guests can book as many rooms as they like. Manowce offers three stunning, luxurious apartments and thirteen double bedrooms, accommodating up to thirty-three guests in total, or forty-two including sofa beds and extra beds in some rooms. All the rooms have en-suite bathrooms and large televisions, and there is Wi-Fi access throughout. For the remaining guests we can organize hotel accommodation in Szczecin as well as comfortable transportation for the 45-minute journey.

MASTER SUITE

Beautifully appointed, historic and luxurious, the bedroom and the living room offer a sense of space and a touch of luxury, with a super-king-size bed, antique dressing tables and comfortable contemporary sofas. The private terrace affords beautiful garden views. All our usual amenities are here too, including an en-suite bathroom, TV, tea- and coffee-making facilities and complimentary Wi-Fi.

PALACE BEDROOMS

Situated on the second floor of the palace, these atmospheric double rooms are rich in modern comfort

and historic period features like antique wardrobes. The super-king bed can be twinned to accommodate two friends rather than a couple. These rooms come in different shapes and sizes, but all offer a touch of luxury.

ANNEX BEDROOMS

On the first floor of the historic annex to the palace building there are seven contemporary rooms with beds that can be doubles or twins. Because part of that building was a stable, we have maintained the rustic style of the interiors. Some of these rooms have wonderful views to the bay, just 50 metres away.

PRICES

The bedroom rates are from 100 to 350 euros per room per night for single use, and from 175 to 425 euros per room per night for double occupancy. The master suite costs 650 euros per room per night, while the other two apartments in the palace cost 350 and 200 euros per room per night for single occupancy or 500 and 350 euros per room per night for double occupancy. Sofa beds and extra beds cost 75 euros each per night for single use, and 150 euros per night for double occupancy.

DINING

On this special day, the hosts, the guests of honour and all the other guests deserve to savour the very best! We take food very seriously at Manowce, using the finest locally sourced produce from Western Pomerania and often from our own kitchen garden.

Chefs who work with us have created a selection of menus for you to choose from. However, if you have preferred dining options, we will try to accommodate these with a bespoke package. We cater to any diet, likes and dislikes and most religious observances.

We offer three menu packages: Silver, Gold and Platinum. For the toast, with Silver we offer a glass of sparkling wine, with Gold we offer sparkling wine and canapés, and with Platinum we serve Champagne with canapés. The selection of food varies depending on

the package, but all celebration dinners comprise four courses. For each course, guests can choose between two options, usually one vegetarian. For 10-hour celebrations, after the dinner a cold buffet and a selection of cakes will be available all the time. We will be pleased to present our sample menus.

Alcoholic drinks are priced separately. Our wine list has an interesting selection of types and vintages, but we are always happy to source a particular wine if you have a preferred choice. Before and during the dinner or lunch, a waiter serves drinks at the table. After the meal, we operate an open bar. You can select from one of the open bar options:

- 1) wine + beer;
- 2) wine + beer + vodka;
- 3) wine + beer + various liquors, including cocktails.
