MANOWCE

WELCOME

From the moment you arrive at Manowce, you will instantly know that this is the venue for your wedding. Thanks to the beautiful interiors, unique views and our exceptional service, the wedding reception and party at Manowce will be a dream come true and an unforgettable time in the company of your loved ones, filled with peace, love and relaxation.

Built at the very beginning of the 20th century, the palace has been restored lately so that it remains loyal to the vision of grandeur upon which it was founded as a luxurious rural retreat. Located in vast woods and right on the shore of a large lagoon, Manowce lets you and your guests enjoy far-reaching views over the waters. We look forward to welcoming you soon, so you can see for yourself just how special Manowce really is.

PROPERTY

Manowce is a historic property uniquely located in northwestern Poland, surrounded by boundless woods, far from residential areas and set right on the shore of a large bay next to the Baltic Sea.

Despite its remote location, Manowce is only 40 minutes from Szczecin (Stettin) and 2 hours 15 minutes from Berlin and its airport. There are direct flights between Berlin and all major cities in Europe plus many cities in America and Asia. It takes one to three hours to fly to Berlin from anywhere in Europe and the tickets are cheap. In addition, the property offers a shuttle service from and to the Berlin airport for the guests and the couple.

The Manowce Palace at Trzebieradz (known as Haffhorst prior to 1945) was built at the beginning of the 20th century in the neoclassical style. The investor and first owner was Georg Wegner, chief medical officer and director of a hospital in Szczecin. During the Second World War, the property was used by the National Socialist People's Welfare organization (*Nationalsozialistische Volkswohlfahrt*; NSV) as *Gauschule* (training centre for party members) and *Mutterheim* (shelter for mothers). From the end of the 1940s to the beginning of the 1990s the palace served as a summer camp for children.

CEREMONY

Manowce is licensed for civil ceremonies and we hold also humanist weddings, but of course we are also happy to host the reception only.

For foreign couples, we can handle all the paperwork and get the necessary permissions from local authorities and churches for them to legally marry in Poland. For those who would like a Roman Catholic or Protestant ceremony, there is St Mary's Assumption, a stunning 16th-century church in the tiny, historic town of Nowe Warpno set on a peninsula surrounded by vast lagoon waters. There are also two other small, charming churches nearby. Manowce can arrange wedding ceremonies in Szczecin for all other denominations and religions.

Indoor ceremonies take place in our beautiful Master Lounge, where your guests can gather to witness your ceremony and admire the picturesque lagoon views through the windows. For those wishing to get married outdoors, we have our wedding gazebo, located on the shore of the lagoon or in the gardens overlooking the palace, so that the scenery makes a beautiful backdrop for your wedding photographs.

WEDDING OPTIONS

At Manowce we host weddings of various shapes and sizes. Our main offering is wedding parties for up to 64 guests indoors or up to 100 guests in a marquee. We also host wedding receptions without accommodation as well as daytime and intimate weddings for between two and forty people.

For each of these wedding types we offer a standard package of services and equipment. The most essential service is the coordination by our manager of the preparation and running of the event. The standard package also covers the hire of the property, the reception and the chairs, tables, tablecloths, tableware, gazebo and marquee all owned by Manowce. If the couple opts for other furnishings, their rental will result in extra charges. Whatever the type of wedding, Manowce always rents out the venue on an exclusive-use basis.

Accommodation is included in the standard package only for wedding parties. Our wedding parties entail booking all 16 bedrooms (including the bridal suite), which accommodate 33 people in total, or 42 including sofa beds and extra beds in some rooms. The accommodation is available from 3pm (the bridal

suite from 12pm) on the day of check-in until 11am on the day of departure. For weddings in July and August, Manowce must be hired also on the days before and after the wedding day. Because Manowce is located in a forest and by water, weddings end at 2 a.m. at the latest, with the possibility of extending it for an additional fee.

The wedding couple may need more than the standard package, e.g. flower decorations, live or recorded music, a photographer or a videographer. We will give you a quote for your choice. Our in-house wedding coordinator knows and can recommend the best local suppliers.

If the couple likes, we can infuse the wedding with Polish music, dance, food and wedding customs. We can serve pierogi, Polish dumplings. On arriving at the reception party, the newlyweds may be greeted by their parents with a huge loaf of bread, salt and two vodka shots.

Destination weddings often turn into a little holiday for the guests. If you're looking to entertain yourselves and your guests during the day, then along with swimming in the bay and mushrooming in the woods, Manowce can organise activities such as kayaking, sailing, fishing, cycling, golf, horse riding and shooting.

ADDITIONAL CHARGES

- 

The standard package does not cover alcoholic drinks. You can order one of our Open Bar options, which are priced below.
- 

For weddings in July and August, Manowce must also be hired on the day before and after the wedding day at the rate of 5,940 euros per day.
- 

For wedding events other than wedding parties, accommodation is an additional charge. The rates are given on the following page.
- 

Because Manowce is located in a forest and by water, weddings end at 2 a.m. at the latest, with the possibility of extending it for a maximum of two hours. The charge per each extra hour or part thereof is 10% of the standard package and of the selected Open Bar option, plus an extra charge for some additional services like the DJ or musicians.

ACCOMMODATION

Manowce offers three stunning, luxurious apartments and thirteen double bedrooms, accommodating up to thirty-three guests in total, or forty-two including sofa beds and extra beds in some rooms. All the rooms have en-suite bathrooms and large televisions, and there is Wi-Fi access throughout. For the remaining guests we can organize hotel accommodation in Szczecin as well as comfortable transportation for the 45-minute journey.

BRIDAL SUITE

Beautifully appointed, historic and luxurious, the bedroom and the living room offer a sense of space and a touch of luxury, with a super-king-size bed, antique dressing tables and comfortable contemporary sofas. The private terrace affords beautiful garden views. All our usual amenities are here too, including an en-suite bathroom, TV, tea- and coffee-making facilities and complimentary Wi-Fi.

PALACE BEDROOMS

Situated on the second floor of the palace, these atmospheric double rooms are rich in modern comfort and historic period features like antique wardrobes. The super-king bed can be twinned to accommodate

two friends rather than a couple. These rooms come in different shapes and sizes, but all offer a touch of luxury.

ANNEX BEDROOMS

On the first floor of the historic annex to the palace building there are seven contemporary rooms with beds that can be doubles or twins. Because part of that building was a stable, we have maintained the rustic style of the interiors. Some of these rooms have wonderful views to the bay, just 50 metres away.

PRICES

Accommodation is included in the rates for wedding parties. If you are considering other wedding formats, here are the prices we charge. The bedroom rates are from 120 to 420 euros per room per night for single use, and from 210 to 510 euros per room per night for double occupancy. The bridal suite costs 780 euros per room per night, while the other two apartments in the palace cost 420 and 240 euros per room per night for single occupancy or 600 and 420 euros per room per night for double occupancy. Sofa beds and extra beds cost 90 euros each per night for single use, and 180 euros per night for double occupancy.

DINING

On the most important day of your life, you deserve to savour the very best! We take food very seriously at Manowce, using the finest locally sourced produce from Western Pomerania and often from our own kitchen garden.

Chefs who work with us have created a selection of menus for you to choose from. However, if you have preferred dining options, we will try to accommodate these with a bespoke package. And to ensure we've tailored our menu to your exact individual tastes, you'll be invited to attend a menu tasting for two ahead of your wedding party. We cater to any diet, likes and dislikes and most religious observances.

We offer three menu packages: Silver, Gold and Platinum. For the toast, with Silver we offer a glass of sparkling wine, with Gold we offer sparkling wine and canapés, and with Platinum we serve Champagne

with canapés. The selection of food varies depending on the package, but all wedding dinners comprise four courses. For each course, guests can choose between two options, usually one vegetarian. After the dinner, a cold buffet and a selection of cakes are available all the time. Around midnight we serve a hot meal. We will be pleased to present our sample menus.

Our wine list has an interesting selection of types and vintages, but we are always happy to source a particular wine if you have a preferred choice. Before and during the dinner, a waiter serves drinks at the table. After the dinner, we operate an open bar. You can select from one of the open bar options:

- » Open Bar 1 – €40 per adult, wine + beer;
- » Open Bar 2 – €50 per adult, wine + beer + vodka;
- » Open Bar 3 – €75 per adult, wine + beer + various liquors, including cocktails,; served by a bartender.
